

Warehouse and Fulfilment services for you and your customers

We find the right solution for your needs.

Direct Link creates solutions for e-commerce; fulfilment, supply chain, warehousing and a wide range of delivery solutions. Our goal is to make you successful by providing a good delivery experience to your customers. We offer pick, pack and deliveries from our strategically located warehouse and fulfilment centers.

Our focus is personalized solutions as well as providing excellent customer experience for your customers. Our aim is to become your business partner, not only a supplier. Let us know your requirements and needs, tell us more about your specific business environment and we will find the best solution for you. If you're ready to expand your e-commerce business beyond your national borders, you need a good partner to give you a helping hand. We are cross-border specialists and deliver all over the world. As a part of PostNord, the leading supplier of logistics solutions in the Nordics, Direct Link combines entrepreneurial flexibility with corporate stability.

We make it easy

You send your inventory to us and we do the rest. When your customers place an order, we pick it, pack it and deliver it.

- You gain increased customer satisfaction because you speed up deliveries from strategically located warehouses
- Your customs duties and VAT have been pre-paid
- You can focus on selling – we take care of the supply chain
- You save money and reduce your fixed costs - no start-up costs, no need to hire staff or invest in equipment

Our commitment to the entire process from warehousing via packaging to delivery focusing on consumer experience will turn your customers into brand ambassadors.

Warehousing This is where we begin optimizing your supply chain. We offer customized services in warehousing and fulfillment.

Packaging We generate picking lists from our integrated system, pick products and pack in the way we have agreed. We make quality checks, both inbound and outbound, to minimize claims and returns. Our solutions are based on your specific needs, aiming to give your customer an excellent unpacking experience.

Deliveries We find the best delivery options and most convenient return solutions for you and your customer. Borders are no obstacles – we deliver all over the world.

Our warehouse and fulfilment centers are located in:
